

IMPACT REPORT

Fiscal Year 2025

This past fiscal year, Hope Walks has made remarkable strides in its mission to transform the lives of children and families affected by clubfoot and share our hope in Christ. With the support of our dedicated donors, we continued to expand our reach and enhance the quality of care provided. Here are some of the key achievements from FY25*:

Care and Treatment

- We treated **19,738 unique children**, including providing clubfoot care for 9,117 new children and their families.
- Notably, **more than 50% of children** born with clubfoot were enrolled in care this year in Burundi (65%), Ethiopia (51%), Kenya (71%), Malawi (67%), the Dominican Republic (65%), and Rwanda (91%).

Program Growth

- Our commitment to increasing access to quality care led to significant growth in our programs as we opened **eight new partner clubfoot treatment centers**.
- With support from Christian Blind Mission (CBM), we increased our reach by starting four new partner treatment centers to serve the **Maradi and Zinder regions of Niger**. Each year, nearly 1,600 children with clubfoot are born throughout this country.

Education and Training

- **265 clinicians** were trained in the Ponseti method, thereby expanding the local knowledge base and increasing the number of clubfoot treatment providers.
- Trained **49 parent advisors** on how to proactively support and encourage families navigating the treatment process.
- Educated and equipped **821 church leaders** to minister to and support individuals with disabilities within their communities.

Sharing the Gospel

- Our team of parent advisors conducted **101,111 counseling sessions** and made **2,331 home visits**, providing crucial emotional and spiritual support to families.
- Their efforts resulted in **822 faith expressions** and **963 church connections**, reinforcing the importance of community and faith in the healing process.

The achievements of FY25 reflect the tireless dedication of our team and the unwavering support of our donors. Together, we have made a profound impact on the lives of children with clubfoot and their families, providing them with the care and support they need to thrive.

PRAYERS

We praise God for the amazing work our team has accomplished this fiscal year and for the generosity of our supporters. We ask for your prayers for the following:

- Peace across all the countries where we serve. Many countries where we work face insecurity and unrest, including Burkina Faso, Ethiopia, the DRC, Haiti, Kenya, Mozambique, and Niger.
- Our team and the opportunities we have to be a light for the Kingdom, offering hope through quality clubfoot care.
- The resources to serve more than 20,000 children and families in FY26.

NADIA

Vestine had always dreamed of her firstborn entering the world strong and healthy. But when little Nadia was born with feet twisted inward, that dream was replaced by uncertainty and fear.

But this family was not alone. A neighbor told them about treatment and went to the clinic with them.

Today, Nadia is walking with straight feet, and Vestine said, "I can wholeheartedly affirm that the clinicians' work, guided by the hand of God, is nothing short of extraordinary."

WHERE WE ARE HEADED

FY2026

As we look forward to the coming year, we remain committed to bringing glory to God by increasing our reach, enhancing our programs, and impacting even more lives. Thank you for your continued support and partnership in this vital mission.

- **Treat more than 20,000 unique children**, including enrolling 9,856 new children in our care programs.
- Provide opportunities to share the gospel and offer encouragement to families through **105,000 counseling sessions** and over **2,400 home visits**.
- Continue to **expand our country reach** by opening new treatment centers in Ethiopia, Mozambique, and Zambia, totaling **212 centers throughout 14 countries**.
- Implement our **strategic plan for FY26 to FY30**, aligning our goals with the Global Clubfoot Initiative's RunFree2030 strategy and the 2030 Sustainable Development Goals, to ensure that we provide impactful and sustainable care, transforming the lives of children and families worldwide.
- **Hire a Director of Spiritual Integration & Discipleship** to lead the spiritual direction, leadership, and discipleship of Hope Walks programs and staff.
